NURSERY SUMMER CAMP

Ages 0 to 2 years

A bilingual experience in a unique environment

Nursery Summer Camp

Our Nursery summer camp is an ideal option for the youngest children (from 4 months to 2 years old) to live a fully bilingual experience in English in a unique environment. In the same spirit as one of the most important pillars of Yago School, every week there will be all kinds of workshops and activities in water, cooking, arts and crafts, music and sports.

DAY STUDENTS SUMMER CAMP

A mix of sports where your child will have a wonderful time.

Day students Summer Camp

A summer camp where we combine sport, water activities and many special themed activities per week, adapted to each age group.

Sport is a fundamental part of the programme. Every day there are sports activities, outdoor games together with water sports and games in the swimming pool, which will make our campers have a great time.
