Nursery Summer Camp 2024

A bilingual experience in a
unique environment

Ages 0 to 2 years

Our Nursery summer camp is an ideal option for the youngest children (from 4 months to 2 years old) to live a fully bilingual experience in English in a unique environment. In the same spirit as one of the most important pillars of Yago School, every week there will be all kinds of workshops and activities in water, cooking, arts and crafts, music and sports. This programme is a place where your baby will begin to establish a secure sense of self. With the support of our staff, our little ones begin the lifelong process of exploration, fun and learning.

From **July 1st until July 26th**

It is possible to book for 1, 2 or 3 weeks combined or the whole month, simply decide what works best for you and your child.
