

Themed Summer Camp 2024

A mix of sports and themed activities where your child will have a wonderful time

Ages 3 to 12 years

A summer camp where we combine sport, water activities and many special themed activities per week, adapted to each age group. Sport is a fundamental part of the programme. Every day there are sports activities, outdoor games together with water sports and games in the swimming pool, which will make our campers have a great time. This programme showcases unique weekly themes. We've created a variety of sports, water activities, fun games and activities designed to make our campers smile, explore, collaborate and grow in exciting new directions.

From June 25th until July 26th

It is possible to book for 1, 2, 3 or 4 weeks combined or the whole month, simply decide what works best for you and your child.
